# THE TRANSIT BUS Virtual SUMMIT

FEBRUARY 17-19, 2021

Due to the concern around COVID-19, and in alignment with the best practices laid out by the CDC, WHO and other relevant entities, The Transit Bus Summit has decided to go virtual for the 2021 Summit.

## Bringing People Together to Help Each Other

The Virtual Transit Bus Summit is three half days of uniquely structured interactive roundtable sessions, information sharing and networking - 100% online! Get introduced to dozens of others responsible for transit agencies as well as senior representatives from the vendor community who will share how they're approaching industry issues. The Virtual Transit Bus Summit is your opportunity to get insights on an immediate issue, learn what's working for your peers and what's not, and gain new relationships with colleagues from across the country.

### HOW TO PARTICIPATE

To be eligible for The Virtual Transit Bus Summit, you must direct, manage or be a decision-maker in an organization with at least 20 transit vehicles in the municipal, agency, BRT or college/ university transit sectors. Your title should be Director, Manager, or Superintendent. Most important, you should have decision-making authority or specific input into the products and services your systems purchases.
